Subject: RE: NJ news on Solvay and Chemours

Thanks for the info Erica. I had already gotten the first one from many routes. The second one is new to me.

Mark

Subject: NJ news on Solvay and Chemours

Andy, Mark and John,

Thought you all would like to know....

NJDEP issued an enforcement directive on 3/25/19 to Solvay and DuPont/Chemours/3M, etc. (attached) regarding PFAS releases to the environment over the state of NJ.

Chemours/DuPont Chambers Works (south of Solvay) also received a legal complaint today (attached) with regarding damages to natural resources (NRD). The NRD claim pertains to all contaminants released to the environment including PFAS and others.

This got a lot of press in NJ, here is one story: <https://theintercept.com/2019/03/27/new-jersey-pfas-contamination/>

There will be more regarding that area of the state in the coming months.
